**Facilities Use Policy and Release**

The Hyde Park School of Dance rents studio space in multi-use facilities. We ask your assistance in using these facilities responsibly and safely by following these rules:

1. Students should arrive no earlier than 15 minutes before the start of their class. Neither the School nor the host organizations are responsible for monitoring students outside of the studio.
2. The School's use in each building is restricted to the studios and designated waiting areas and washroom facilities. Students and their families should not enter other areas of the buildings. Neither the School or host organizations are responsible for monitoring students outside of the designated areas.
3. Children, particularly 10 years and younger, should be delivered to and picked up at the studio door. Please do not allow younger children to negotiate their way to and from the studios by themselves.
4. While it is sometimes convenient for parents to pick up children at the curb, we strongly urge you to think about such arrangements and discuss them completely with your child. Neither the School nor host organizations are responsible for children left unattended outside their facilities.
5. We ask our students and families to treat the facilities and host organizations with respect by passing through the buildings quietly. All clothes and bags must be brought in to the studios and not left in hallways.

*I have read and agree to the above rules and understand that violations to the rules could lead to revocation of scholarship support or dismissal of the student from the School without refund of tuition.*
