DANCE

CAST LIST 2011

Thank you for auditioning for *The Nutcracker*!

Please look over the cast list carefully. Some dancers have more than one role. Many dancers have been assigned an understudy role. An understudy attends all rehearsals for their understudy role, and learns the choreography. In the event an emergency arises and the dancer originally cast in the role is unable to perform, an understudy may step in to perform. Understudies are an important part of any theater production.

You must attend all rehearsals, costume fittings, and performances (including the Student Matinee performance on 12/9 at 10 AM) for any roles in which you are cast. You must also attend all rehearsals for any roles you are understudying. If you cannot accept your role or understudy role in *The Nutcracker* you must notify the HPSD administrative office by email (admin@hydeparkdance.org). If you do not come to your first rehearsal we will assume you cannot accept your role.

Casting decisions are final and may not be disputed. Dancers or families who dispute casting decisions will not be allowed to participate in *The Nutcracker*.

Some roles have been split into Cast A and Cast B. Cast A will perform at Blackstone Library Outreach performance at 10am on 12/3, the Student Matinee 10am performance on 12/9, and the 7pm performance on 12/10. Cast B will perform at the Easter Seals Outreach performance on 12/7, the 2pm performance on 12/10, and the 2pm performance on 12/11.

Dancers cast in roles that have *not* been split into Cast A and Cast B will perform in all performances as listed on the schedule: 12/9 at 10am, 12/10 at 2pm, 12/10 at 7pm, and 12/11 at 2pm. The Blackstone Library Outreach performance on 12/3 and Easter Seals Outreach performance on 12/7 apply only to select Act II Variations dancers on pointe.

We are looking forward to another fabulous *Nutcracker*!
