CLASS PARENT - Creative Movement and Pre Ballet

4 Volunteers per class

Assist with Dress Rehearsal on Friday, May 14

Assist Backstage on Saturday, May 15

This job is part of the nerve center of the whole Concert! We have more than 200 Creative Movement and Pre Ballet dancers in the Concert. Class Parents are assigned a specific group of dancers during Dress Rehearsal in the studio; during the Concert they help these dancers stay calm, get into and out of their costumes, adjust their hair and make-up, and get to and from the stage. Class Parents oversee their assigned group until the end of the performance and assist in the pick-up process once the performance is over. **Check the class you would like to assist:**

Assist with Dress Rehearsal in class during the week prior to the Concert

Assist Backstage on Saturday, May 15

The older dancers rehearse for the concert during their regular class the week before the Concert. For the rehearsal, Class Parents assist with transporting costumes to the correct studio (1, 2 or 3), ensure that each dancer has a costume, and help with ironing. During the Concert, help students get into and out of their costumes, assist with hair and make-up, and ensure that the dancers get to the stage on cue. Parents oversee their assigned group until the end of the performance and assist in the pick-up process once the performance is over. **Check the class you would like to assist:**
