### Facilities Use Policy and Release

The Hyde Park School of Dance rents studio space from the First Unitarian Church (Studio 1), the Hyde Park Union Church (Studio2), and the Hyde Park Neighborhood Club (Studio 3). Our studio space is only a small part of each organization's multi-use facility. We ask your assistance in helping us use our facilities responsibly and safely by following these basic rules:

1. The School's use in each building is restricted to the studios, and designated areas and washroom facilities outside of each studio. There is no staff from either the School or Organization to monitor students outside of the School's designated spaces. Students should not enter other areas of the buildings. Students under 8 years old who leave the studios during class must be accompanied by a parent or teaching assistant; students 8 to 13 years old must be accompanied by another student.
2. Children, particularly 10 years old and younger, should be delivered to and picked up at the dance studio door. Please do not leave younger children to negotiate their way to the studios by themselves.
3. Children who come early to class from school or are waiting to be picked up must wait inside of the dance studio and either watch class or do homework. Neither the School and its faculty or Organization Staff are responsible for children once they leave the studio.
4. While it is sometimes convenient for parents to pick up older children at the curb, we strongly urge parents to think about such arrangements and discuss them completely with their children. Neither the School nor Organization can be responsible for children left unattended outside of their facilities.
5. The School posts notices informing its students of other events, such as weddings, funerals, or meetings, which occur in the buildings during class times. We ask our students to respect these events by passing through the building quietly, not leaving their clothes and bags in public hallways, and not peeking into or entering event areas.

*I have read and agree to the above rules and understand that violations to the rules could lead to revocation of scholarship support or dismissal of student from the School without refund of tuition.*
